EDUCATION

The University of Texas at Austin

Ph.D. in Statistics and Data Science.

Austin, TX, USA

8/2024–now

École Polytechnique

Cycle Ingénieur (Master of Science degree), specialising in Computer Science.

Palaiseau, France

9/2021–8/2024

VNU University of Science

B.S. in Mathematics (Talent Program), specialising in Probability.

Hanoi, Vietnam

9/2017–7/2021

- Thesis: “The Total Variance Distance between Random Variables”.

RESEARCH EXPERIENCE

Department of Statistics and Data Science, The University of Texas at Austin

Graduate Research Assistant

Austin, USA

9/2025–now

- Research on Mixture of Experts model, with Application on Machine Learning, and Optimal Transport.

Computer Science Laboratory of Ecole Polytechnique

Research Assistant

Paris, France

9/2023–3/2024

- Research on Analog Computation with Application on Solving Differential Equations, and Neural Network Approximation Theorem.

La Javaness, Data Laboratory

Research Internship

Paris, France

6/2023–8/2023

- Subject: Analysis and Applications of Graph Algorithms in Machine Learning.
- Research on fundamental techniques of Machine Learning in Graph and its application (e.g, Recommendation System, Adversarial Attack,...)

VNU University of Science, Department of Probability and Statistics

Research Assistance under the supervision of Professor **Ta Cong Son**.

Hanoi, Vietnam

9/2019–8/2021

- Research on Law of Large Number, Stein’s method, Stochastic Analysis and its application in Statistics.

PUBLICATIONS

- Ngoc-Hai Nguyen*, **Dung Le***, Hoang-Phi Nguyen, Tung Pham, Nhat Ho. **On Barycenter Computation: Semi-Unbalanced Optimal Transport-based Method on Gaussians**. *29th International Conference on Artificial Intelligence and Statistics (AISTATS)*, 2026.

6. Fanqi Yan*, Huy Nguyen*, **Dung Le***, Pedram Akbarian, Nhat Ho, Alessandro Rinaldo. **On Minimax Estimation of Parameters in Softmax-Contaminated Mixture of Experts**. *39th Advances in Neural Information Processing Systems (NeurIPS)*, 2025.
5. Fanqi Yan*, Huy Nguyen*, **Dung Le***, Pedram Akbarian, Nhat Ho. **Understanding Expert Structures on Minimax Parameter Estimation in Contaminated Mixture of Experts**. *28th International Conference on Artificial Intelligence and Statistics (AISTATS)*, 2025.
4. Ta Cong Son, Tran Manh Cuong, **Le Quang Dung**, Le Van Dung. **Strong laws of large numbers for weighted sums of d -dimensional arrays of random variables and applications to marked point processes**. *Theory of Probability and Mathematical Statistics*, Volumn 111, Page 153-165.
3. **Dung Le***, Huy Nguyen*, Khai Nguyen*, Trang Nguyen, Nhat Ho. **Fast Approximation of the Generalized Sliced-Wasserstein Distance**. *IEEE International Conference on Acoustics, Speech and Signal Processing (ICASSP)*, 2024.
2. Ta Cong Son, **Dung Le Quang**, Manh Hong Duong. **Rate of convergence in the Smoluchowski-Kramers approximation for mean-field stochastic differential equations**. *Potential Analysis, Springer Netherlands*, 2023.

PREPRINTS

6. **Dung Le***, Nicola Bariletto*, Alessandro Rinaldo, Nhat Ho. **Partial Differential Equation Barriers to Identifiability in Infinite Mixture Models**. *Under Review*.
5. Huy Nguyen*, **Dung Le***, Alessandro Rinaldo, Nhat Ho. **On the Geometry of Separation in Finite Gaussian Mixtures**. *Under Review*.
4. Nicola Bariletto*, **Dung Le***, Alessandro Rinaldo, Nhat Ho. **Convergence Rates for Latent Mixing Measures in Infinite Homoscedastic Location-Scale Mixture Models**. *Under Review*.
3. Weichen Wu, **Dung Le***, Arun Kumar Kuchibhotla, Alessandro Rinaldo. **Berry-Esseen bounds for multivariate martingale difference sequences in the Kolmogorov distance**. *Under Review*.
2. Fanqi Yan*, **Dung Le***, Trang Pham, Huy Nguyen, Nhat Ho. **Improving Minimax Estimation Rates for Contaminated Mixture of Multinomial Logistic Experts via Expert Heterogeneity**. *Under Review*.
1. Nghiem T. Diep*, **Dung Le***, Tuan Truong, Tan Dinh, Huy Nguyen, Nhat Ho. **Hypernetwork-Driven Low-Rank Adaptation Across Attention Heads**. *Under Review*.

PRESENTATIONS

3. On Barycenter Computation: Semi-Unbalanced Optimal Transport-based Method on Gaussians. *The 7th Vietnam National Conference on Probability and Statistics: Research, Applications, and Teaching*, Quy Nhon University, Quy Nhon, Vietnam, August 2025.
2. Rate of Convergence in the Smoluchowski-Kramers Approximation for Mean-field Stochastic Differential Equations. *KU Probability and Statistics Conference 2024 on Stochastic Analysis and Related Areas*, The University of Kansas, KS, USA, November 2024.
1. The Total Variance Distance between Random Variable. *19th Workshop on Optimization and Scientific Computing*, Ba Vi, Vietnam, April 2021.

TEACHING

The University of Texas at Austin, Teaching Assistant

- **SDS 320**, Element of Statistics *Fall 2026*
- **SDS 313**, Introduction to Data Science *Fall 2025*
- **SDS 334**, Intermediate Statistical Methods *Spring 2025*
- **SDS 322**, Element of Data Science *Fall 2024*

SCHOLARSHIPS AND AWARDS

- First Prize of Faculty and Second Prize in University** *5/2021*
The Student Research Compendium of VNU University of Science
- First Prize in Analysis with highest score, and First Prize in Algebra** *4/2019*
2019 Vietnam Mathematics Olympiad for the Undergraduate Student
- First Prize in Analysis with highest score** *4/2018*
2018 Vietnam Mathematics Olympiad for the Undergraduate Student
- Gold Medal** *7/2017*
57th International Mathematics Olympiad
- First Prize with Highest Score in 2017 and Second-Highest Score in 2016** *1/2016,1/2017*
2016, 2017 Vietnam National Mathematics Olympiad

PROFESSIONAL SERVICES

Reviewer at

- the Transactions on Machine Learning Research (**TMLR**)
- the International Conference on Artificial Intelligence and Statistics (**AISTAT**) *2024-2026*
- the International Conference on Learning Representations (**ICLR**) *2026*
- the International Conference on Machine Learning (**ICML**) *2026*

SKILLS

- **Programming:** Python, R, Java, C/C++, OCaml, Assembly.
- **Languages:**
 - **Vietnamese:** Mother tongue.
 - **Chinese:** Full professional working proficiency. HSK6: 236/300 (in 2021).
 - **English:** Professional working proficiency. TOEFL: 91/120 (in 2023).
 - **French:** Professional working proficiency. TCF: B2 (in 2024).
